

Amina

Name: Amina Age: 22 years
Village: unknown Diagnosis: Deafness

Amina is a spunky young lady who was abandoned due to her deafness. She was brought to Home of Hope where it was quickly recognized that she had no cognitive deficits. Everyone very quickly realized that Amina would thrive in the school environment and so she was sent to a local boarding school with a class for hearing impaired students. She is very bright and loves to attend school. She made very good grades and graduated in 2020. She has continued her education at a vocational school where she is learning hospitality skills. She hopes to obtain a job in the catering industry upon completion.

Amina currently has a school sponsor which pays for her tuition, including room and meals, while at her school, but it does not provide for her other needs, such as clothing, some school supplies and her meals and needs while at Home of Hope during school breaks, which is approximately 5 months of the year. The cost is \$45 per month via Paypal, Venmo or check. Sponsorship includes updates on Amina throughout the year and following Our Hope's annual trip to Uganda.

If you are interested in sponsoring Amina, please go to our Store/Donate Page and choose the 'Child Sponsorship' option. Please list Amina's name in the comment section.
